

# Your Cloud, Reimagined

---

# Meet the Speakers

**Jon Myer**

Chief Evangelist

**Mike Till**

Director, Solutions Delivery

**Rich Boyd**

Solutions Architect

## CloudOps Reimagined

- Real-time
- Event-driven
- Cloud Data Platform

- Marketplace Seller
- Cloud Mgmt Tools Software Competency

Amazon Web Services (AWS) is the **world's most comprehensive and broadly adopted cloud platform**, offering over 200 fully featured services from data centers globally. Millions of customers—including the fastest-growing startups, largest enterprises, and leading government agencies—are using AWS to lower costs, become more agile, and innovate faster.
